This shall be instead of any other warranty, either express or implied, including but not limited to, any implied warranty of merchantability or fitness for a particular purpose. The only company providing this warranty is Plexicor (USA) Inc. and no distributor or retailer is providing any warranty, either express or implied. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

The Company will repair or replace, at its option, any Karran® solid surface integral undermount sink that the Company has found to be defective and is within the period of the warranty. The liability of the Company, under this warranty, is limited solely to the repair or replacement of the Karran solid surface sink within the warranty period. Should the sink, at the company's option, be replaced the Company shall provide \$300 (three hundred dollars) only towards the installation of another Karran solid surface sink. Should the sink needing replacement be under mounted in a solid surface or stone top, the replacement sink will be an undermount sink. The Company shall not be liable, under any circumstances, for consequential or incidental damages, including, but not limited to, personal injury or labor costs in excess of \$300 (three hundred dollars) per sink. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives the original purchaser specific legal rights and you may have other rights that vary from state to state.

Under no circumstances will the company be responsible for any expense in connection with any repairs made by anyone other than an authorized representative of the Company and Karran® solid surface products. All repairs must be specifically authorized by the Company in writing before being undertaken.
