

Karran quartz sinks are manufactured from durable quartz composite material that makes them incredibly tough and resilient to even the toughest daily tasks. They contain 80% natural quartz crystals and 20% high performance acrylic resins. These materials provide high scratch, stain, chip and heat resistance. This seamless model can mount seamlessly in laminate and solid surface countertops and is available in a selection of 6 elegant color choices.

Series:	Quartz Q Series
Material:	80% quartz / 20% acrylic resin
Installation Type:	Seamless undermount
