

CARE AND MAINTENANCE

Thank you for purchasing a Karran acrylic solid surface sink. Your Karran sink is made from a unique, 100% pure acrylic resin that has been researched and produced to meet the specific demands of the kitchen. This material is more resistant to surface damage than other materials but like most things, better care will make for a longer life.

REGULAR CLEANING

Our recommendation for cleaning your Karran acrylic sink is a 3M Scotch-Brite® pad and Comet®, Ajax® or any other powder detergent. The special satin finish of this sink will improve with the use of powder detergents, but all liquid detergents will also prove satisfactory. Please be careful with drain cleaners. Make sure that the cleaning agent goes down the waste outlet and that it does not sit in the basin. Some drain cleaners react relatively violently as one would expect by the very nature of the requirement of the product and instructions for handling are always given precisely on the product.

CARE

This material is resistant to heat and is unlikely to mark below temperatures of 360°F. This means, in practical terms, that pots in which water and vegetables for example are boiled could be left on your sink for a limited (short) period of time without causing damage. However extended exposure to a hot pot will cause damage. Our recommendation is to ***always*** let hot items cool before placing them in your sink. Alternatively run some cool water when placing a hot pot into the sink. By doing this there is no chance of marking your sink as the hot item is instantly cooled. Additionally when draining pots of boiling water into your sink, we recommend running cold water into the bowl at the same time.

Scratches and small chips from sharp utensils can occur but can easily be removed by sanding with a 3M Scotch-Brite® pad for fine scratches, and sandpaper for deeper scratches and small chips. Use a coarse sandpaper (100 or 150 grit) to start, finishing off with fine grit sandpaper and a 3M Scotch-Brite® pad. For deeper chips that are not removable by sanding, please call Karran USA (866-452-7726) to order a no-charge DIY sink repair kit.

This Limited Warranty applies only to sinks manufactured and sold by Karran USA (the "Company") (the "Products").

Who is Entitled to this Limited Warranty

The Company grants this Limited Warranty solely in favor of the original purchaser of the Products (the "Original Purchaser"), but to no other person or entity whatsoever. No person or entity, other than the Original Purchaser, shall have any right to assert any claim under this Limited Warranty, or otherwise, in connection with the Products. This Limited Warranty is personal to the Original Purchaser and may not be transferred by the Original Purchaser to any other person or entity, by contract, operation of law, transfer of the property into which the Products are installed, or otherwise.

Length of this Limited Warranty

This Limited Warranty shall begin on the date the Products are installed into the original residential or commercial application and shall continue for a period of 25 years (such period of time, the "Warranty Period"), after which this Limited Warranty shall expire and be of no further force or effect. THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY.

What is Warranted

Subject to the conditions and limitations set forth in this Limited Warranty, the Company warrants to the Original Purchaser that during the Warranty Period the Products will be free from manufacturing and design defects when used under normal conditions and maintained properly.

What the Company Will Do

In the event that any Product fails to comply with this Limited Warranty, the Company will either repair or replace the defective Product at its cost. The Company shall elect the remedy in its sole and absolute discretion. In the event the Company elects to replace any defective Product, the Company may provide, at its option, up to \$300 to be credited towards the installation of another Product. If the Company determines the Product needs to be undermounted with a silicone bond or soft seam in a solid surface or stone countertop, the replacement Product may, at the option of the Company, be another Product part of the Undermount Series. If the Product needs replacement by seamless integration (hard seamed) into a laminate, solid surface, granite or quartz countertop, the replacement Product shall be the Company's Top Mount Sink.

THE FOREGOING DESCRIBES THE COMPANY'S SOLE LIABILITY, AND THE ORIGINAL PURCHASER'S SOLE REMEDY, FOR ANY BREACH OF WARRANTY IN RESPECT OF THE PRODUCTS.

How to Make a Claim

To make a claim under this Limited Warranty, the Original Purchaser must notify the Company in writing of any claimed defect in a Product. Such notice must be given promptly following discovery of the claimed defect and in any event prior to the expiration of the applicable Warranty Period. The Original Purchaser must submit with such notice proof of purchase and proof of the date of purchase of the Product claimed to be defective. Notification shall be provided to: **Karran USA, Attention: CLAIMS, PO Box 667, Vincennes, IN 47591**

The Company shall then promptly inspect, by means of digital photography supplied by the customer, the claimed defect and if such examination does disclose a defect covered by this warranty, shall, within thirty (30) days after inspection replace or repair the defective Product (as it shall elect in its sole and absolute discretion), subject to the terms set forth above.
